

Circular 403: Obtaining NOC from RTA-Rail Agency

Date: November 24, 2021

Dear Valued Customer,

With reference to issuing permits and work in areas under DDA's jurisdiction affected by the Railway Protection Zone, applicants are requested to **obtain a Non-Objection Certificate from RTA-Rail Agency**.

This is required before applying for building permits (i.e., mobilisation, excavation, shoring, piling, etc.) or any other construction activities (i.e., modification works and maintenance of facades, within the Railway Protection Zone and Railway Tracks).

You can find more information on restricted activities and regulations for implementing these works in the [Railway Protection Code of Practice for the Emirate of Dubai, Ninth Edition June 2021](#).

If you have any questions or wish to give feedback, please call Customer Care on tel: 800-4-DDA (332) or via [Connect With Us](#)

Regards,

Dubai Development Authority
