

Circular 272: Dubai Universal Design Code for People of Determination

Date: February 19, 2018

Dear Customer,

In alignment with the Government of Dubai's initiative to unify standards and regulations across the emirate, Dubai Creative Clusters Authority (DCCA) is pleased to announce that the [Dubai Universal Design Code for People of Determination](#) is now mandatory for all building design submissions and approvals, as well as for the retrofitting of existing buildings. This is applicable for all projects within the Authority's jurisdiction.

Accordingly, the Accessibility Code for the Built Environment in the Creative Clusters ([DCCA Circular 241](#)) has been superseded.
