

Circular 348: Construction Site Hygiene Measures – Checklist

Date: April 7, 2020

Dear Customer,

As part of the ongoing efforts towards Public Health and Safety, it is paramount to undertake and comply with critical hygiene measures at construction project sites.

With immediate effect, all the Construction Projects shall implement a standard checklist on daily basis and records to be maintained at site for authority verification. Construction Site Hygiene Measures - Checklist can be accessed by simply [clicking here](#).

If you have any questions or wish to give a feedback, please call Customer Care on tel: 800-4-DDA (332) or via [Connect With Us](#).

Regards,

Dubai Development Authority
