TO: ALL CONSULTANTS / CONTRACTORS

Dear Sir,

PROJECT: BUSINESS BAY
SUBJECT: CONCRETE WASH OUT AREA

With reference to the above subject, all consultants and contractors are hereby instructed to **create a concrete washout area** for their projects and submit the sketch indicating the area / location that would be used for washing out the concrete for **approval at the Zoning Authority Development Control's office.**

Upon obtaining the approval for the area to wash out the concrete pumps the following instructions should be followed:

- The location / designated area for dumping waste concrete should be forwarded to the concrete suppliers and the drivers to ensure that the concrete pumps are **washed only at the designated areas.**
- Upon **accumulation of the concrete debris** the same should be removed and dumped at the **designated Municipality dumping yards** and the copy of the receipts should be provided at our office.

Contractor / Consultants found violation / ignoring the above instructions, a fine of **AED. 20,000.00** would be imposed and the dumped / washed concrete should be removed. Recurrence of the same violation would force us to **stop all activities at site** for a **period of one month.**

The above is for your information, records and further necessary action.

For, and on behalf of
**DUBAI TECHNOLOGY AND MEDIA
FREE ZONE AUTHORITY – DTMFZ**
