

Surveyor General Acknowledgment and Undertaking

Prior to commencing building survey within the jurisdiction of the Dubai Development Authority (“Authority”), the Surveyor hereby accepts all responsibilities and liabilities as outlined herein.

- The Surveyor shall comply with all the laws, rules and regulations and any other related guidelines of the Authority as may be implemented from time to time.
- The Surveyor shall act in accordance with the standard guidelines, rules and regulations of the Authority in calculating the GFA of the Project and shall endeavor to submit with the Authority the genuine and unaltered GFA calculated and any other relevant information and documentations.
- The Surveyor undertakes and acknowledges that all information submitted including but not limited to the GFA calculated, documentations and any other information pursuant to Form # ZD-DC 99 are true and genuine.
- The Surveyor acknowledges that in event of breach of this undertaking, the Surveyor shall take full responsibility and liability as may be sanctioned or imposed by the Authority.
- The Authority in the exercise of its administrative power shall cease or bar the Surveyor from entering or conducting any activities within the Free Zone in event of breach of this undertaking or any laws, rules and regulations of the Authority.
- The Surveyor hereby waives his right or any other applicable rights to contest this document and agrees not to make any further claims of any nature relative to Dubai Development Authority’s acceptances or submissions.

The undersigned hereby accept, acknowledge and confirm that he read the contents of this document and undertakes to comply with it this _ _ day of _ _ 201_ _.
